"You can depend on this:

If we have died with Him,
We shall also live with Him.

If we patiently endure,
We shall also rule with Him.

If we disown Him,
He will also disown us.

If we do not believe,
He remains faithful

Because He cannot disown Himself." 2 Timothy 2: 11-13

Students At Immanuel Lutheran School Participate in Hoops and Jump Rope for Heart

Students at Immanuel Lutheran School are shooting hoops and jumping ropes to fight heart disease and stroke, our nation's No. 1 and No. 3 killers. This March 7th at 12:45 p.m., the event will take place in the school gym.

Students will play basketball and jump rope to raise funds for the American Heart Association, which funds cardiovascular disease research and public and professional education programs. Hoops For Heart and Jump Rope for Heart is co-sponsored by the American Heart Association and the American Alliance for Health, Physical Education, Recreation and Dance.

The average heart beats 100,000 times each day. One of the best ways to take care of your heart is to make exercise a regular part of your everyday life. Hoops For Heart teaches students how exercise benefits the heart and shows students that volunteering can be fun and beneficial to the whole community. They learn how they can make a difference by providing important community service and having a great time at this fun-filled family event.

Money raised by the event will go to fund potentially lifesaving research and educational and community programs. Please help our students help others. When a student asks you to be a sponsor, support Hoops For Heart with whatever you can afford to give.

Donations can be made in person or online. Details are in the information packages distributed to all students. Contact person is: Dennis Neumeier
