## PARENT NOTIFICATION OF THE LICENSING NOTEBOOK

Child Care Organizations Act, 1973 Public Act 116

Michigan Department of Licensing and Regulatory Affairs

All child care centers must maintain a licensing notebook which includes all licensing inspection reports, special investigation reports and all related corrective action plans (CAP). The notebook must include all reports issued and CAPs developed on and after May 27, 2010 until the license is closed.

Immanuel Lutheran Childcare and Preschool maintains a licensing notebook of all licensing inspection reports, special investigation reports and all related corrective action plans.

The notebook will be available to parents for review during regular business hours.

Licensing inspection and special investigation reports from at least the past two years are available on the Bureau of Community and Health Systems website at [www.michigan.gov/michildcare](http://www.michigan.gov/michildcare).

I have read the above statement issued by Immanuel Lutheran Childcare and Preschool.
